

INFINI GLOW AMPOULE

Introducing infini glow ampoule, a transformative skincare elixir designed to revolutionize your beauty regimen. This exquisite product unveils a plethora of remarkable advantages for aging skin, working tirelessly to enhance its elasticity while dramatically reducing the appearance of bothersome wrinkles and discolorations. Its unique properties encompass a dual-action marvel, skillfully combining the powers of skin brightening and wrinkle reduction, all the while augmenting skin elasticity and preserving essential moisture levels.

But that's not all; the infini glow ampoule is a multi-faceted gem. It fortifies the skin's protective barrier, creating a shield of resilience. It champions the process of skin rejuvenation, unlocking a world of renewal and revitalization. With antioxidative virtues that combat the signs of aging and soothing effects that pamper your skin, this product is your answer to radiant and youthful skin. Moreover, it delivers a burst of powerful hydration, ensuring that your skin remains quenched and nourished. The infini glow ampoule is your gateway to ageless, luminous beauty.

POWERHOUSE COMPONENTS

for radiant skin

Kalibiome

Eliminating harmful skin bacteria while stimulating the growth of advantageous microorganisms, promoting skin vitality and fortifying its defense against external aggressors. This exceptional formula aids in averting signs of skin aging, enhancing skin health by addressing issues like acne, maintaining optimal skin equilibrium, reinforcing the skin's protective barrier, and preserving its firmness and resilience.

Sturgeon b-PDRN

It revitalizes and restores lost volume, making it particularly effective for addressing sagging jaw fat and diminishing wrinkles, ensuring a more youthful appearance.

Bio Peptide Complex 6C

A premium anti-aging formulation crafted from six potent peptides with remarkable anti-wrinkle, collagen-boosting, and antioxidant properties. Clinically tested, it has shown to significantly reduce wrinkles and enhance skin's health with the power of BIO-CT. This complex also actively stimulates collagen and elastin synthesis, fortifies the skin's protective barrier, and contributes to a vibrant and robust complexion, promoting overall skin health.

KEY BENEFITS

The effervescent effect of this product aids in purifying the skin's surface, promoting detoxification, and delivering a mild exfoliation that is gentle and non-aggressive.

It revitalizes and restores lost volume, making it particularly effective for addressing sagging jaw fat and diminishing wrinkles, ensuring a more youthful appearance.

It elevates skin elasticity and infuses vital moisture, strengthening the skin's natural barrier for lasting protection and deep hydration.

Awaken to skin that is perceptibly more supple the following morning, providing a flawless canvas for a seamless and effortless makeup application.

For the best results, please follow the instructions:

- 01** Cleanse your face thoroughly in the evening.
- 02** After cleansing, apply Liquid Masque.
- 03** Dispense a pump of ampoule on each side of your face.
- 04** Using upward motions, evenly spread the ampoule over your entire face.
- 05** Delicately massage the product into your skin once bubbles have formed.
- 06** Finish by spraying Liquid Masque to lock in moisture.
